

SAFE & SMART

BUDDY'S MATCH GAME

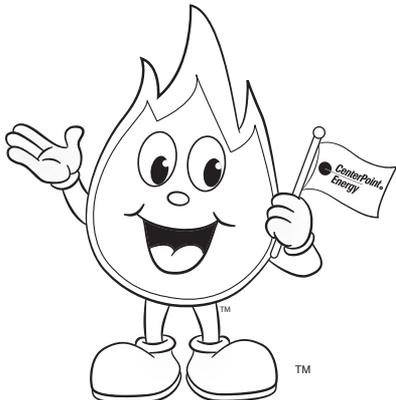

Can you tell who's saying each natural gas conservation tip? Draw a line from the character on the left to the correct shadow on the right. Can you think of other ways to conserve?

DURING THE WINTER, HAVE AN ADULT SET THE THERMOSTAT TO 68 DEGREES.

ONLY WASH FULL LOADS OF LAUNDRY IN THE WASHING MACHINE.

ASK YOUR PARENTS TO TURN DOWN THE WATER HEATER TO 120 DEGREES.

STAY SAFE AROUND NATURAL GAS
